Projects

PORTFOLIO WEBSITE

Built a portfolio website for myself to showcase my skills and talents.

WIKI FAST

Built a webpage which gives Wikipedia articles for the queries given by the user. It also generates random articles for users.

POMODORO TIMER

Built a webpage through which you can set timer for a maximum of 99 hours.

WEATHER MAP

Built a webpage to show the current weather based on the geographical location of the user.

RANDOM QUOTE GENERATOR

Built a webpage which display quotes randomly when user clicks the button. There is a feature to share quotes on twitter.

Certificates

FRONT END DEVELOPMENT certificate with distinction from Free Code Camp
